Conference Proceedings -- Order Form

If you missed the 2002 Northwest Direct Seed Cropping Systems Conference in Spokane, WA on January 16-18, you missed a great program attended by over 850 growers and Ag support personnel. But, you can have the next best thing to being there --- the detailed 177-page Conference Proceedings. It provides in-depth papers for each of the 24 speaker presentations and is an excellent reference on new technologies for direct seed cropping systems. The Proceedings will also be added to this Conference Web site.
